Washington, D. C.

Dear Mr. Breckinridge:

In connection with its investigation into the circumstances surrounding the death of President Kennedy, the Select Committee requests access to all files and other materials concerning or reflecting upon the information set forth in the following paragraph from the Warren Commission's final report:

"The Commission has also received evidence that in April, 1962, a telegram sent to Havana, Cuba was charged to the business telephone of Earl Ruby, brother of Jack Ruby. Earl Ruby stated that he was unable to recall that telegram, but testified that he had never traveled to Cuba nor had any dealings with persons in Cuba. Jack Ruby is not known to have visited his brother at that time, and during that period Earl and Jack did not maintain a close relationship. Earl Ruby is not known to have been involved in any subversive activities."
